

## I-25 IMPROVED | COMANCHE TO MONTGOMERY

### CONSTRUCTION NOTICE

The New Mexico Department of Transportation (NMDOT) will begin improving the Interstate 25 (I-25) corridor in Albuquerque between Comanche Road and Montgomery Boulevard, including the freeway, frontage roads, and interchanges, starting as early as August 2024 and continuing through spring 2027.

Construction will occur both day and night, up to seven days a week. **Those at nearby properties should expect an increase in noise, vibration, and dust.**

*Construction schedules are weather-dependent and subject to change without notice.*

Contact the project team at **505-785-7623** or **info@i25improved.com** with any questions.

*Contáctenos si necesita esta información en Español.*

**To stay up to date on the project, visit the project website ([i25improved.com](https://i25improved.com)) to sign up for text alerts, email updates and get more information!** →
